CONSULTANTS

Q2 Manager Review Lineup

Mr. Roth referenced the schedule and noted that Sawgrass and Loomis, Sayles are scheduled in April, Edgar Lomax and Decator Capital in May, and TerraCap and Seizert in June.

Matarin Capital Portfolio Transition Post-Trade Summary

Mr. Roth reviewed the Matarin transition cost report from Northern Trust. He explained that the transition occurred on February 10, 2021 with an estimated cost of 2.3 basis points or ~\$1,500. The actual transition came in below estimate at 1.3 basis points or ~\$1,300. He reported that it was a smooth transition.

RE: Resolution to Approve Periodic Rebalancing

**CITY OF PONTIAC MICHIGAN
GENERAL EMPLOYEES' RETIREMENT SYSTEM
BOARD OF TRUSTEES MEETING**

Mr. Roth stated that American Realty called \$2.3M, the remaining part of their committed capital. This amount was funded last week. The recommendation is to raise cash from WCM Investment Management which is one of the international equities managers.

RESOLUTION 21-017 By Moore, Supported by Walker

Resolved, That the Board that the Board approves the Consultant's recommendation to rebalance the portfolio by transferring \$2,300,000.00 from WCM Investment Management to the cash manager to pay for benefits and expenses.

REPORTS

Personnel & Administration Committee

**CITY OF PONTIAC MICHIGAN
GENERAL EMPLOYEES' RETIREMENT SYSTEM
BOARD OF TRUSTEES MEETING**

Income Verification Process Documentation

Miss Munson reported that both committees reviewed income verification documentation provided by one of the retirees. She reminded the Board that the IRS has changed the process for how the System will be able to gather transcripts in order to confirm a disability retiree's income for any given year. Both committees were satisfied that, although it is not the transcript the System has received in the past, it is sufficient to document that the retiree did not exceed the earned income limit.

Definition of Actuarial Equivalent Amendment & Software Update

Miss Munson reported that both committees reviewed the correspondence regarding the definition of actuarial equivalent in the Ordinance. The Board adopted updated assumptions at their February 2021 Meeting, and the City inquired as to whether the adoption of those assumptions would affect the definition of actuarial equivalent that is in the Ordinance. She stated that the answer is yes. She explained that the actuary has advised that now that the assumptions used for valuation purposes have been updated, at some point it is necessary for the Board to adopt those assumptions for use in determining actuarial equivalence of member benefits. She stated that the new assumptions used to determine actuarial equivalence will only be applicable to active and deferred members who retire going forward. The assumptions should be adopted later this year.

GRS Questions RE: GERS Termination Valuation

Miss Munson reported that both committees reviewed the questions regarding the GERS termination valuation. She stated that the actuary requested clarification with respect to what the City requires for the termination valuation. Among other items included in the March 10, 2021 email, the actuary would like the City to confirm which actuarial assumptions will be used in the report. The City has not yet responded; however, the actuary will need a response prior to moving forward with the March 31, 2021 termination valuation.

Reciprocal Retirement Act Question for Valuation

Miss Munson reported that both committees reviewed the correspondence with the actuary regarding the potential for future Reciprocal Retirement Act benefits. As we progress towards the termination, the question came up of what occurs if there are former employees who have not yet applied for a reciprocal benefit but come back and apply some time in the future. The response from the actuary is that – to be conservative - there should be some accrual for the potential that reciprocal retirement benefits will be paid out in the future. She reported that both committees are recommending that the Board approve for the actuary to include a liability for potential future reciprocal retirement benefits in December 31, 2020 valuation. This is an item under New Business.

Legal Opinion RE: Readmitting to GERS Rehires

Miss Munson reported that the finance committee reviewed the legal opinion regarding the Board's ability to readmit new hires into the GERS. She explained that there are 4 current City employees who were former Members of GERS and have requested to be readmitted into the GERS. The legal opinion states that - because of the plan closure by the Emergency Manager - the Board no longer has the right to readmit Members into the GERS. However, because those employees are former members of the GERS, the Board can recognize the service credit which they are earning now in the City's DC Plan as reciprocal service. She stated that two of the employees are already deferred members and their retirement benefit will still be based on the service credit they previously accrued. One member was

**CITY OF PONTIAC MICHIGAN
GENERAL EMPLOYEES' RETIREMENT SYSTEM
BOARD OF TRUSTEES MEETING**

added to the deferred database and the fourth employee did not have the 30 months service credit necessary to qualify for a reciprocal benefit.

Correspondence to/from City

Miss Munson reported that both committees reviewed all the correspondence to/from the City regarding the IRS approval as well as the annual reminder regarding the supplemental actuarial analysis would be required if the \$400 is going to continue past August. She explained that the City responded regarding the actuarial assumptions. Per the CPREA settlement agreement, the Board was required to submit the assumptions to the City and CPREA in order for them to have an opportunity to approve them. The City responded in writing with their approval.

Trustee Moore confirmed that the CPREA Board has also approved the assumptions for use in the termination valuation.

Ethics Policy

Miss Munson reported that both committees reviewed the Ethics Policy revisions which is an item under New Business.

Disability Income Verification Process Policy Revisions

Miss Munson reported that both committees agreed to recommend for approval the policy revisions.

Infectious Disease Prepared and Response Policy Revision

Miss Munson reported that both committees agreed to recommend for approval the policy revisions.

Finance Committee

Plante Moran Audit Engagement Letter

Miss Munson reported that the finance committee reviewed the engagement letter and are recommending it for approval.

Trustees

Meetings for Retirees

Trustee Deirdre Waterman stated that there will be a town hall meeting for the retirees this evening and on April 14, 2021 to explain the questions coming in regarding the settlement agreement and the letters the City has been sending out including the opt-put election form. The letter was copied to all Board members including GERS, Police & Fire and VEBA. She said that she will send the meeting invitation to Miss Munson so she can extend it to any GERS Board Members interested.

Trustee Deirdre Waterman also stated that there will be a proposal submitted through City Council to permanently extend the \$400 supplemental benefit which will also be discussed at the meeting.

Trustee Swazer sought clarification about how the taxability of the \$20,000 lump sum was addressed in the letter sent to retirees.

**CITY OF PONTIAC MICHIGAN
GENERAL EMPLOYEES' RETIREMENT SYSTEM
BOARD OF TRUSTEES MEETING**

There was additional discussion.

GERS Transition Updates

Miss Munson stated that this draft report will be updated periodically so that the Trustees are continuously updated on the status of the transition as well as any outstanding matters.

Chairman

Chairman Albritton expressed his concern regarding various election laws implemented in Georgia and other states.

There was additional discussion.

Trustee Deirdre Waterman requested that Mr. Lee and Mr. Roth research GERS' investments related to this matter and report back the information to the Board at the next Board Meeting by providing a list of corporations and holding companies involved.

EXECUTIVE DIRECTOR REPORT

Conferences Updates

Miss Munson reported that NASP conference date has been changed to the fall and that it will be a virtual conference. She also reported that the spring MAPERS conference was cancelled.

Trustee Election Results

Miss Munson reported that the election results were mailed out on March 23, 2021 and congratulated Trustee Giddings on his new term.

Unaudited Financial Statements

Miss Munson reported that unaudited financial statements were sent to the actuary on March 12, 2021.

Correspondence from GRS RE: Termination Valuation Request for Direction

Miss Munson reported that there are three items related to the GERS termination to which the City will need to provide responses. Those are the email request from the actuary seeking guidance on the contents of the termination valuation report; the auditors request to know what are the IRS requirements for a final audit and the question regarding whether the IRS requires vesting of former employees.

Correspondence with Plante & Moran RE: Termination Audit Questions

Miss Munson reported that she and Phillip Moore contacted the Michigan State Treasury and learned that the System will require 3 audits for 2021: the March 31, 2021 termination audit to determine the net plan position as of that date; a closeout audit where the old GERS trial balance has been zeroed out after the transfers have actually occurred and the normal December 31, 2021 annual audit. She explained that March 31, 2021 audit does not need to be filed with the state, but the closeout and December 31, 2021 audits will need to be filed with the State.

**CITY OF PONTIAC MICHIGAN
GENERAL EMPLOYEES' RETIREMENT SYSTEM
BOARD OF TRUSTEES MEETING**

Correspondence with City RE: Former Employees

Miss Munson explained that when the System had a partial plan termination, the System was required to immediately vest in a pension all terminated employees who had less than 10 years of service credit in the 5-year period prior to the partial plan termination. She reported that in the Form 5310 filed with the IRS in connection with the termination of the GERS, the City reported the same data of a 5-year lookback of former non-vested employees. The outstanding question for the City is whether the System is required to vest those employees as a result of the GERS termination.

Oath of Office for Reestablished GERS

Miss Munson reported that the Reestablished GERS Ordinance requires all of the Trustees to take an oath of office for the Reestablished GERS Board by April 10, 2021.

Mr. Henzi explained that this can be done via Zoom where the City Clerk can be invited to a meeting to administer the oath.

Electronic Meetings

Mr. Henzi explained that 'no reason' provision for conducting virtual meetings sunsets today, and beginning April 1, 2021, virtual meetings for public bodies have to be because of statewide or local disasters/pandemic or because of a member is sick or a member is on military duty. The State Health Director extended the statewide pandemic through April 19, 2021, so any board can have a public meeting through at least that day. He explained that virtual meetings could continue to be conducted if the City of Pontiac has issued a local declaration of emergency.

Trustee Deirdre Waterman stated that the City issued the declaration of emergency on March 13, 2020 which has no end date on it, so that is still standing.

Miss Munson asked Mr. Henzi if the declaration is automatically applicable to GERS because it is a Pontiac entity but is located in Auburn Hills.

Trustee Deirdre Waterman responded that it would be up to the Council to decide - but because the GERS is an entity that is established by the City of Pontiac - that may be the prevailing reasoning that the City document would apply, but that depends on the Council to give the guidance on that.

Mr. Henzi agreed with Trustee Deirdre Waterman that it would apply to the GERS Board.

Special Meeting

Miss Munson asked whether a special meeting of the Reestablished GERS Board of Trustees should be scheduled since a resolution has been approved to refer certain business to the new GERS Board. The purpose of the meeting would be to authorize Chairman Albritton's signature on those documents.

Chairman Albritton directed Miss Munson to reach out to the Clerk to determine his availability to attend a meeting of the Reestablished GERS Board where everyone can get sworn in virtually at the beginning of the meeting.

**CITY OF PONTIAC MICHIGAN
GENERAL EMPLOYEES' RETIREMENT SYSTEM
BOARD OF TRUSTEES MEETING**

Correspondence with the City

Trustee Deirdre Waterman stated Ms. Kopacz came to her and said that the questions which are coming to her should be answered by the GERS counsel or the PFRS counsel.

Miss Munson addressed the various questions. She noted that neither the Board nor the Board's attorney could provide the answers to the questions posed by the actuary. The service agreement to conduct the March 31, 2021 termination valuation is between the actuary and the City. The City will need to provide the direction that the actuary is seeking with respect to the contents of that valuation report. She continued that Ms. Kopacz is the person who shepherded this process with the IRS and remains in contact with the IRS. MS. Kopacz completed Form 5310 which included the terminated non-vested employees. Ms. Kopacz is the person who would know any IRS requirements regarding immediate vesting and final audit. These are legitimate questions for the City – no one else is capable of responding.

Trustee Deirdre Waterman stated that she will outline which questions Ms. Kopacz can answer.

Disability Annual Procedures Report

Miss Munson reported that 2019 process has been completed and - due to the IRS extending the deadline to file the 2020 returns - the process will begin at a later time this year.

LEGAL REPORT

Verna Hodge Power of Attorney

Mr. Henzi reported that Power of Attorney was approved with immediate effect.

Erica Robertson Restitution

Mr. Henzi reported that this matter is pending.

The Following Investment Management Documents Have Been Completed for the Transition to the City of Pontiac Reestablished General Employees' Retirement System

Mr. Henzi reported that 11 investment manager agreements have been completed for transition to Reestablished GERS. There are 8 that are pending completion as soon as appropriate documentation are received from those 8 managers.

Timing of Distribution of Plan Assets from the Old GERS to the New Reestablished GERS

Mr. Henzi stated that the issue arose about what happens when the old GERS terminates on March 31, 2021 and the new GERS does not have a bank account setup on April 1, 2021. Questions were if managers can continue to trade on the old GERS and what happens to the money. He explained that the questions are answered in the memo and that the IRS permits an orderly transition within one year from the termination date as long as assets are distributed as soon as administratively feasible. He stated that the timeline provides that the excess assets will be transferred to the VEBA approximately in August 2021, and the old GERS would continue to do business and the managers can continue to make trades on accounts that are held in the name of the old GERS, and the old GERS can continue to conduct business such as hold meetings, evaluate disability applications and make payroll for the staff and retirees until such time as the assets are fully transferred.

Membership Status of Former Employees Re-hired after April 1, 2013/Reciprocal Retirement Credit

Mr. Henzi reported that there was a question about whether 4 employees who were rehired by the City after the emergency manager's executive order closed the plan in 2013. He stated that they could not be reinstated for GERS membership, however they would be eligible for Reciprocal Retirement Act recognition. He explained that this Reciprocal Retirement Act allows people that work for multiple governmental entities to combine credited service and paying the benefit through their first system. If the 4 employees are earning credited service in another plan while they work for the city after 2013, then

**CITY OF PONTIAC MICHIGAN
GENERAL EMPLOYEES' RETIREMENT SYSTEM

they could apply that credit to the prior credit and the GERS plan to meet the minimum credited service that is required.

Trustee Deirdre Waterman asked about Trustee Powell and requested a copy of the Board's Attendance Policy.

Chairman Albritton indicated he will reach out to Trustee Powell offline and requested that the Board's Attendance Policy be sent to all Board members.
